

**Optional Publicity Release/Authorization (OPR)  
2007-2008 School Year**

From time to time, **Arizona School Choice Trust (ASCT)** creates promotional materials or issues news releases to inform potential donors, families on scholarship, and others about the trust and its goals and achievements.

We often find it helpful to include in these materials elements that show the personal side of ASCT, such as photos of families from special events, artwork created by children on scholarship, or testimonials from parents.

If you would be willing to help us to promote ASCT in this way, please fill out and return this authorization.

This publicity release is completely optional and whether or not you choose to submit it will have no effect, positive or negative, on your family's selection to receive or to continue to receive ASCT scholarship funding, nor on the amount of any scholarships received.

I hereby agree to allow the **Arizona School Choice Trust** to use my name and the names of my children listed below, as well as any photos or other materials provided to Arizona School Choice Trust that involve us, for use in promotional materials, news releases or other means used by Arizona School Choice Trust to publicize the organization.
